Recited by primary

The winds whispered
times like this would
come
I've lost myself in all my
whims and wants
The storm came crashing
now I've come to learn
If I don't have you, I have
no one

In times of darkness
In times of greed
In times of trouble
In times like these

In times of hardship
In times of ease
In times of struggle
That's when we need

Oh Allah, oh Allah, oh
Allah
Need you the most
Oh Allah, oh Allah, oh
Allah
Need you the most
Need you the most

Hope was fading like
the setting sun
I felt my tears rolling
slowly down
Oh what a life I just
wanna run
But with you I know all
can be done

I called and called
searching for someone
If I could walk you said
you would run
Fell through the shallows
now I'm on my own
Holding my breath
praying help would come

In times of darkness
In times of greed
In times of trouble
In times like these

In times of hardship
In times of ease
In times of struggle
That's when we need

Oh Allah, oh Allah, oh Allah
Need you the most
Oh Allah, oh Allah, oh Allah
Need you the most
Need you the most

I know that you're up there
And I know that you hear me
I'm searching for answers
And I know you see clearly

I know of your promise
And I know that it's true
You've made my heart open
Pray it brings me to you

I know that you're up there
And I know that you hear me
I'm searching for answers
And I know you see clearly

I know of your promise
And I know that it's true
You've made my heart open
Pray it brings me to you

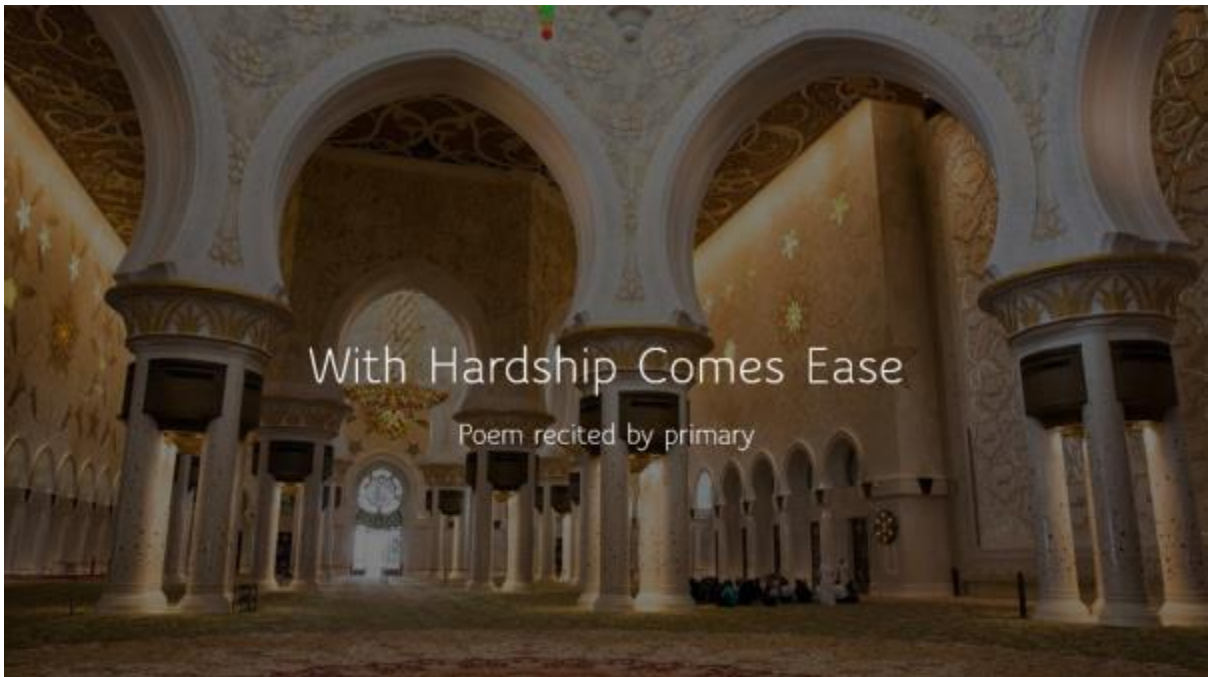

Oh Allah, oh Allah, oh Allah
Need you the most
Oh Allah, oh Allah, oh Allah
Need you the most
Need you the most

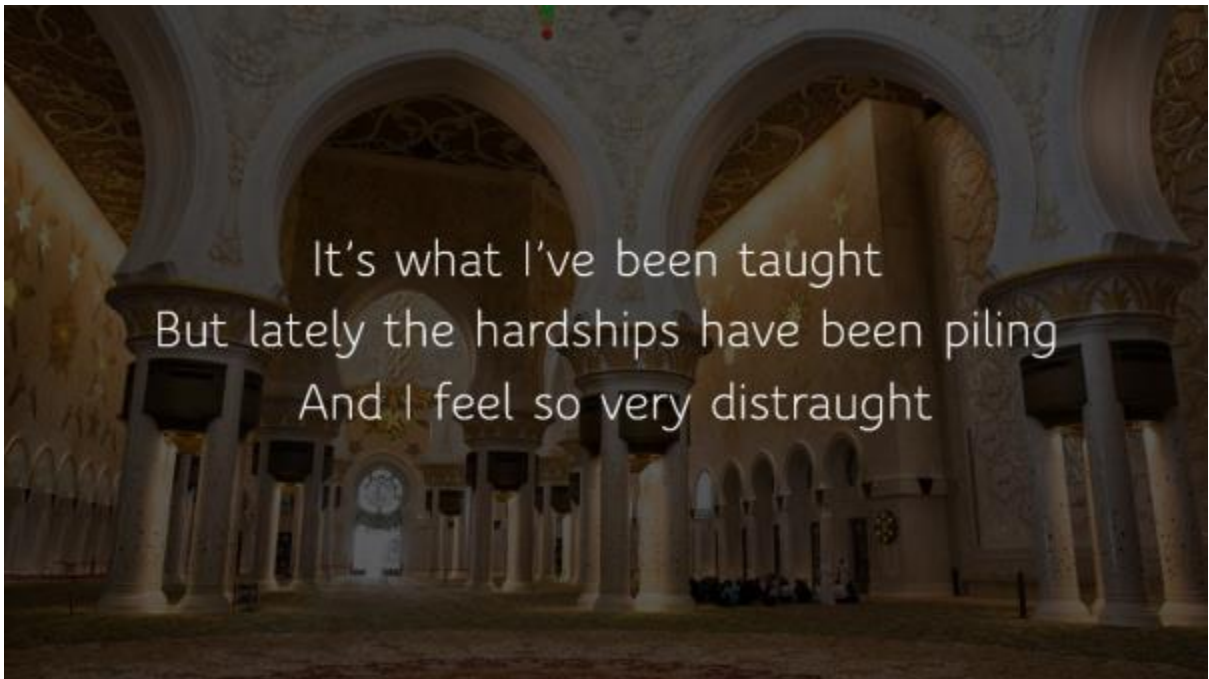

With Hardship Comes Ease

Poem recited by primary

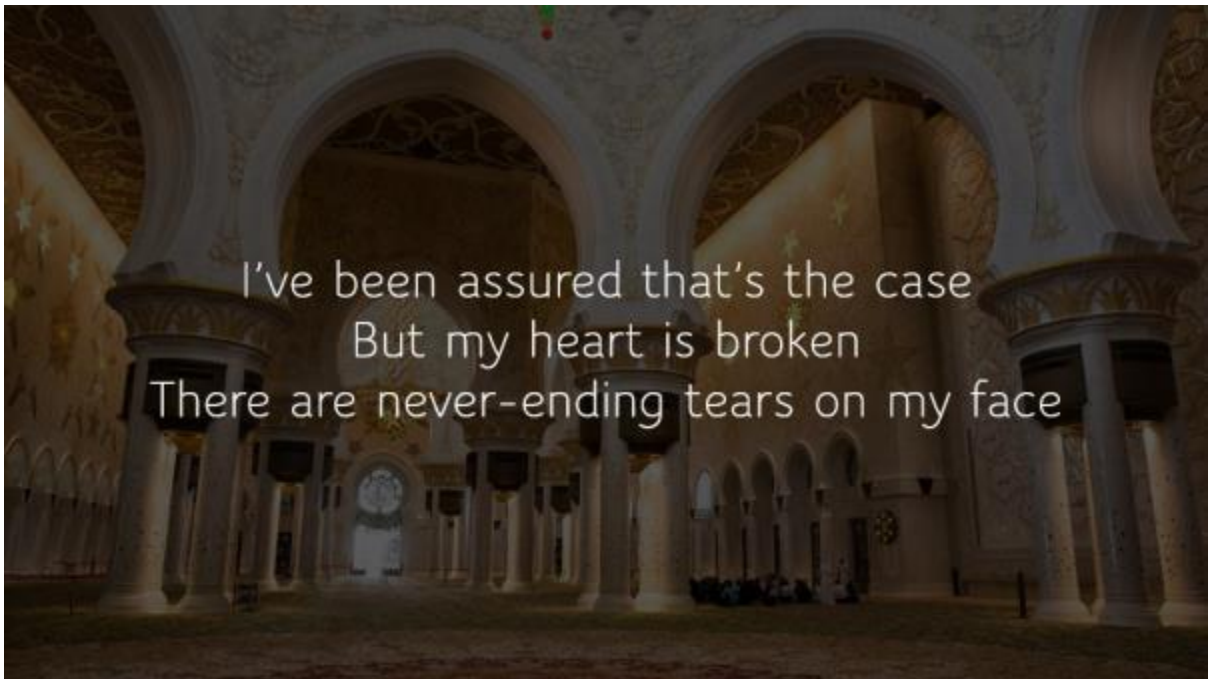

With Hardship Comes Ease

It's what I've been taught
But lately the hardships have been piling
And I feel so very distraught

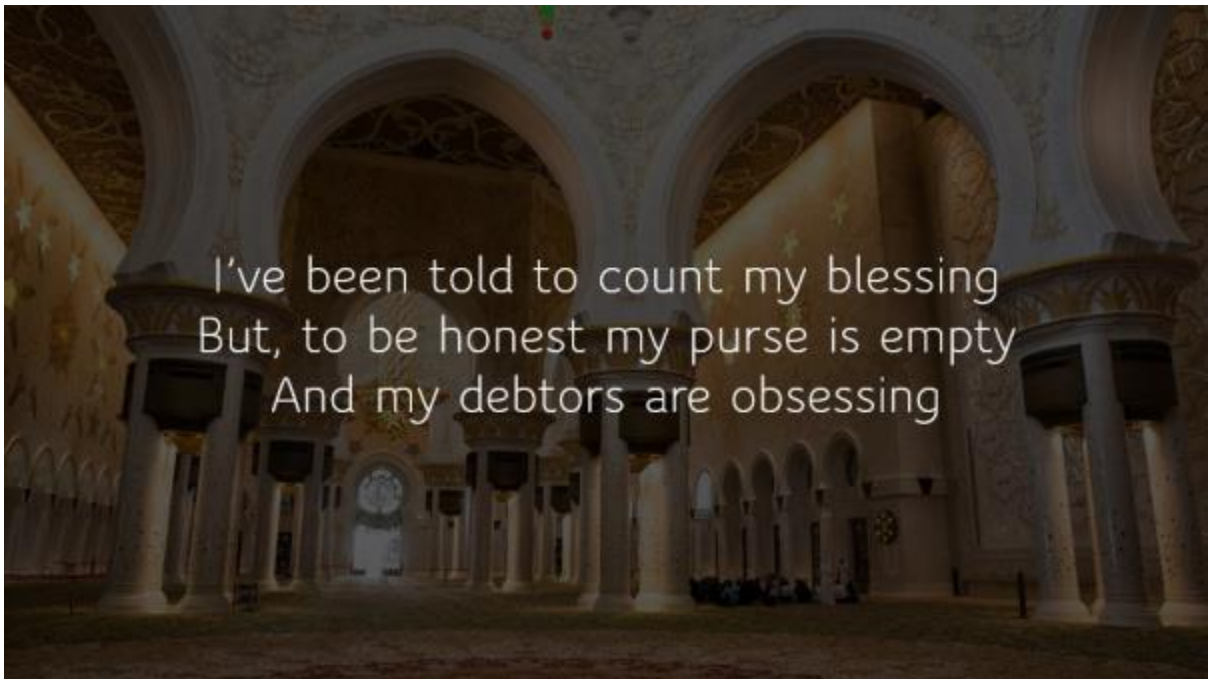

With Hardship Comes Ease

I've been assured that's the case
But my heart is broken
There are never-ending tears on my face

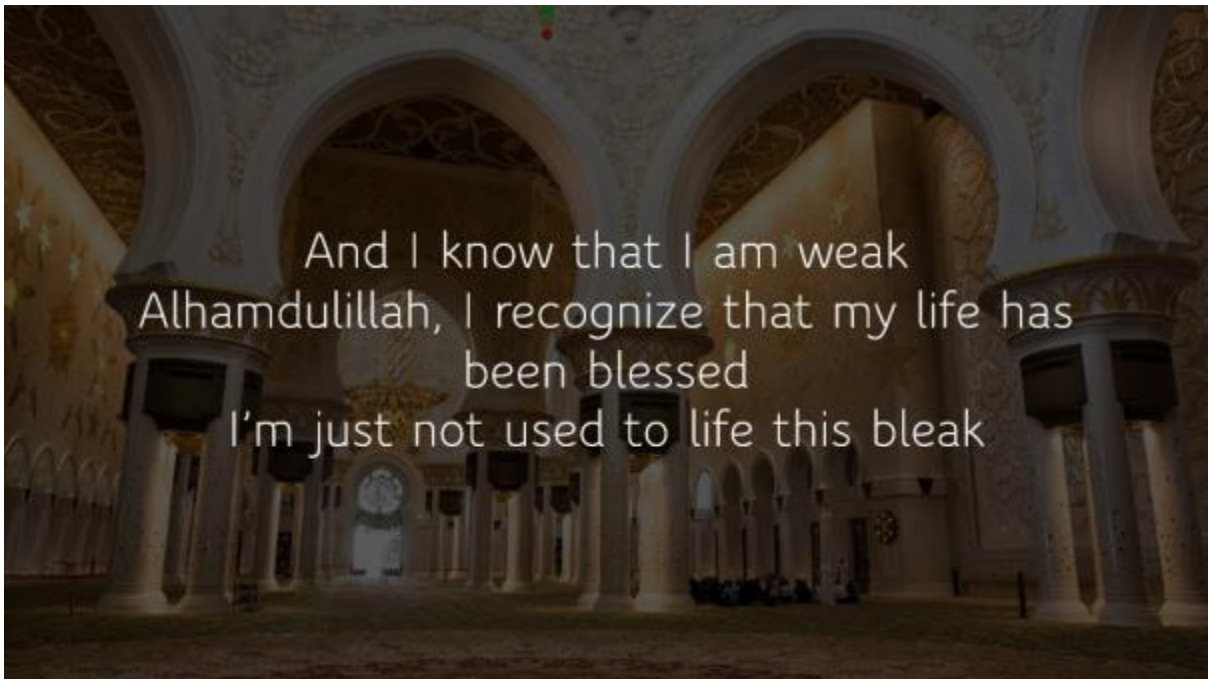

With Hardship Comes Ease

I've been told to count my blessing
But, to be honest my purse is empty
And my debtors are obsessing

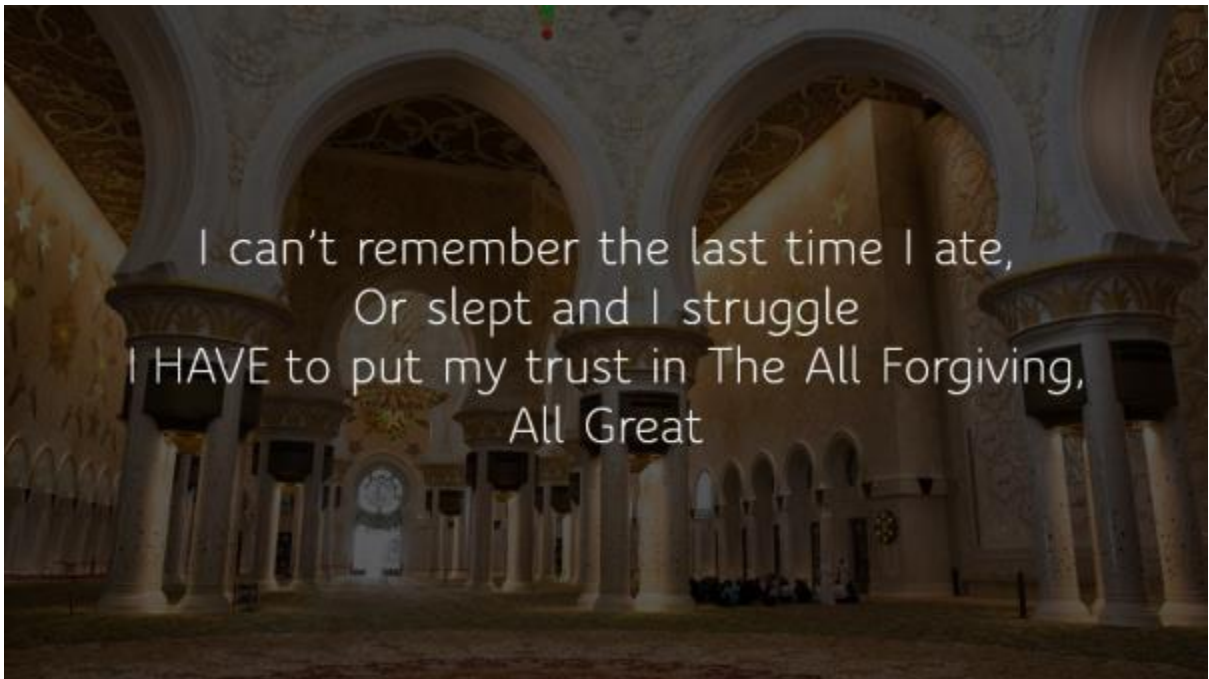

With Hardship Comes Ease

And I know that I am weak
Alhamdulillah, I recognize that my life has
been blessed
I'm just not used to life this bleak

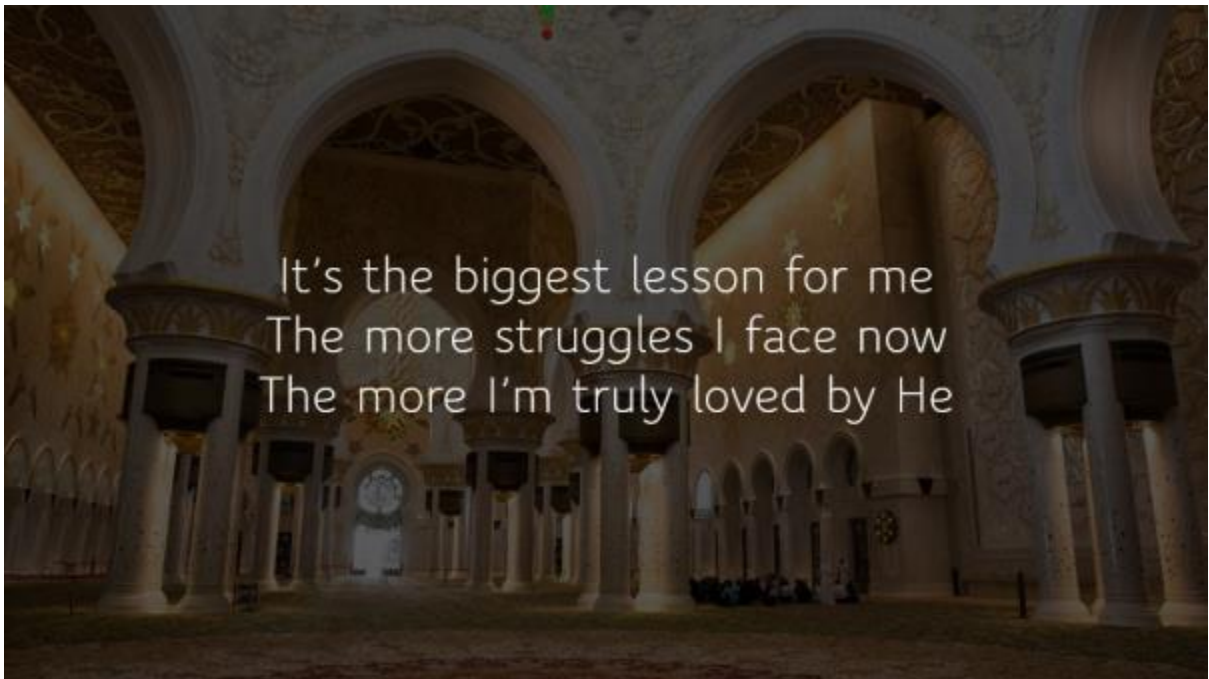

With Hardship Comes Ease

I can't remember the last time I ate,
Or slept and I struggle
I HAVE to put my trust in The All Forgiving,
All Great

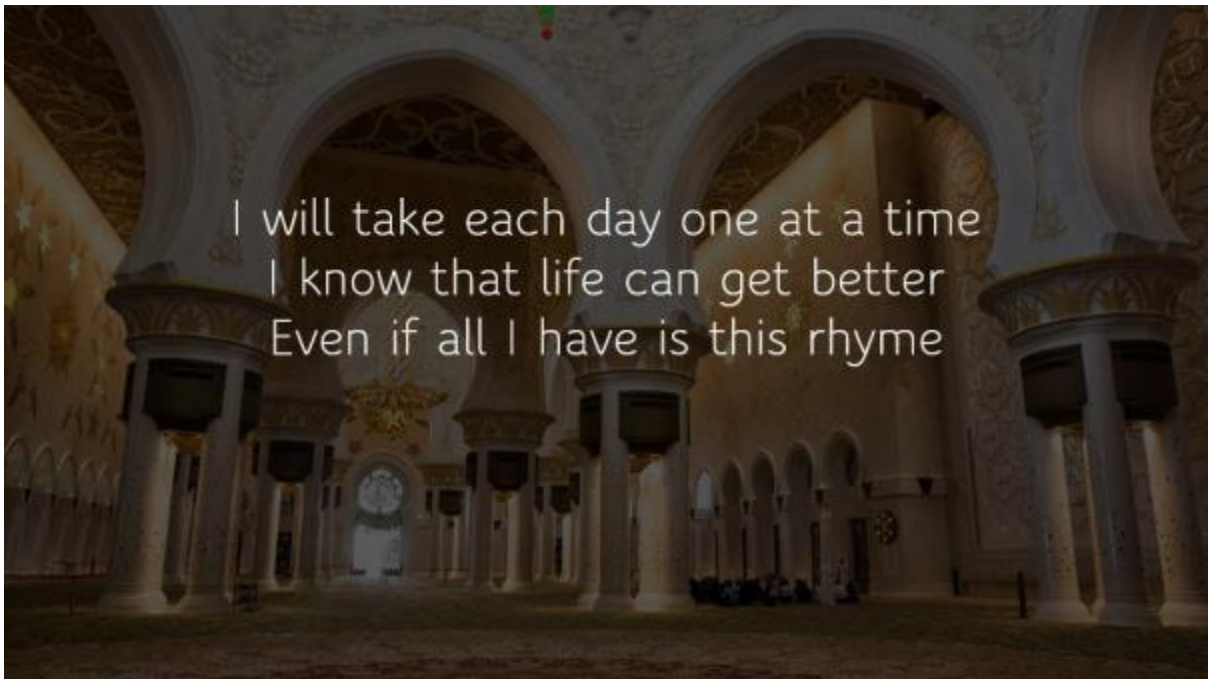

With Hardship Comes Ease

It's the biggest lesson for me
The more struggles I face now
The more I'm truly loved by He

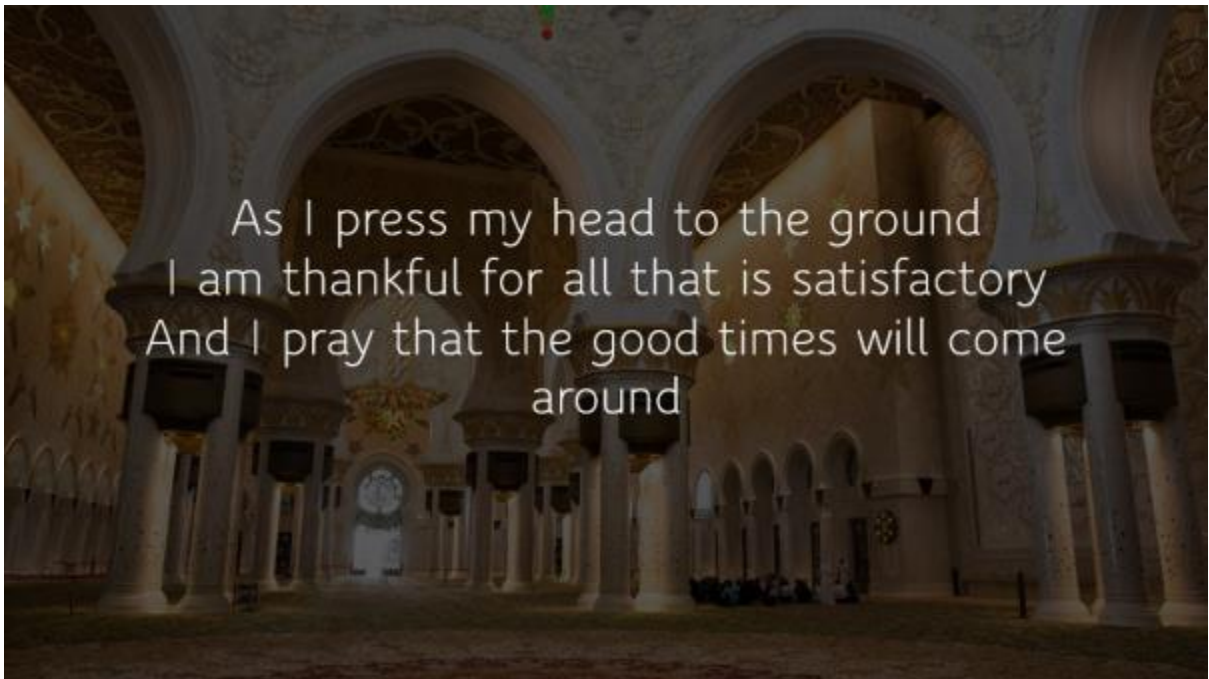

With Hardship Comes Ease

I will take each day one at a time
I know that life can get better
Even if all I have is this rhyme

With Hardship Comes Ease

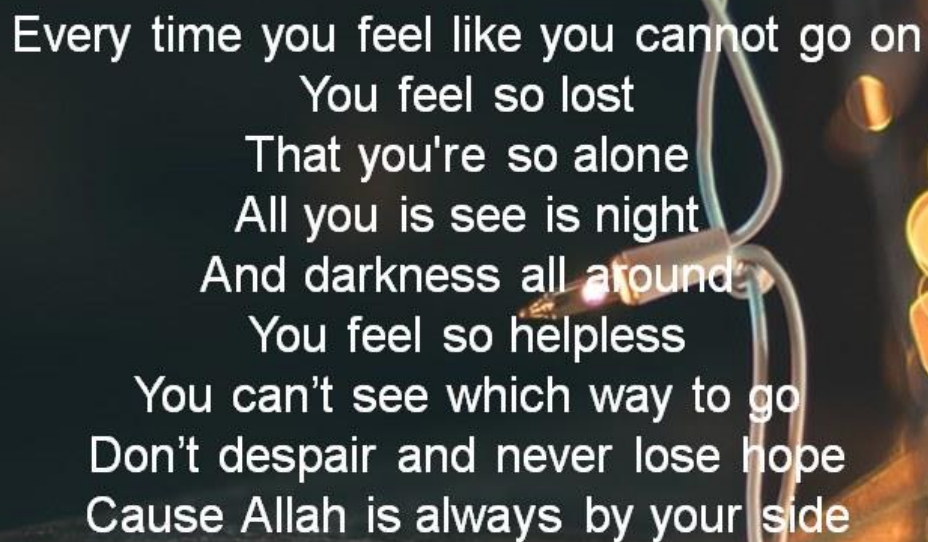

As I press my head to the ground
I am thankful for all that is satisfactory
And I pray that the good times will come
around

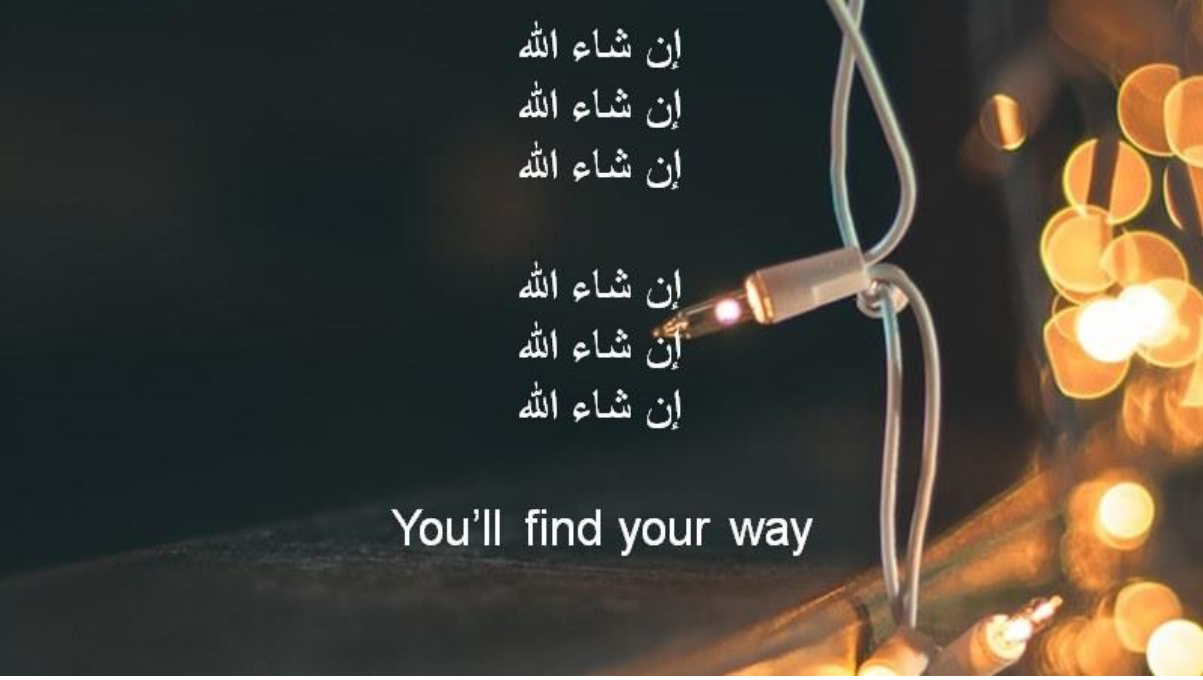

Insha'Allah

Recited by Year 8

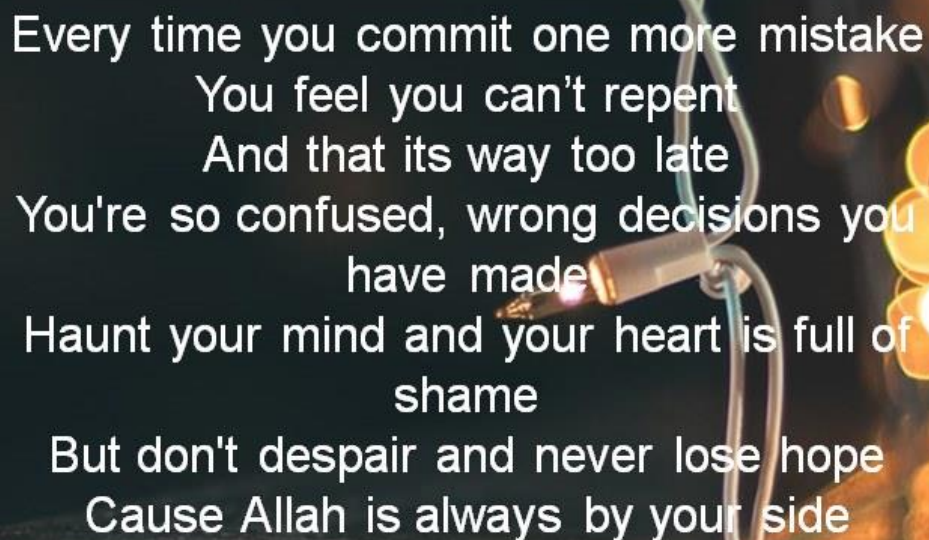

Every time you feel like you cannot go on
You feel so lost
That you're so alone
All you is see is night
And darkness all around
You feel so helpless
You can't see which way to go
Don't despair and never lose hope
Cause Allah is always by your side

إن شاء الله
إن شاء الله
إن شاء الله

إن شاء الله
إن شاء الله
إن شاء الله

You'll find your way

Every time you commit one more mistake
You feel you can't repent
And that its way too late
You're so confused, wrong decisions you
have made
Haunt your mind and your heart is full of
shame
But don't despair and never lose hope
Cause Allah is always by your side

إن شاء الله
إن شاء الله
إن شاء الله

إن شاء الله
إن شاء الله
إن شاء الله

You'll find your way

Turn to Allah he is never far away
He's never far away
Put your trust in Him
Raise your hands and pray
OOO Ya Allah
Guide my steps don't let me go astray
You're the only one who can show me
the way
Show me the way
Show me the way

إن شاء الله
إن شاء الله
إن شاء الله

إن شاء الله
إن شاء الله
إن شاء الله

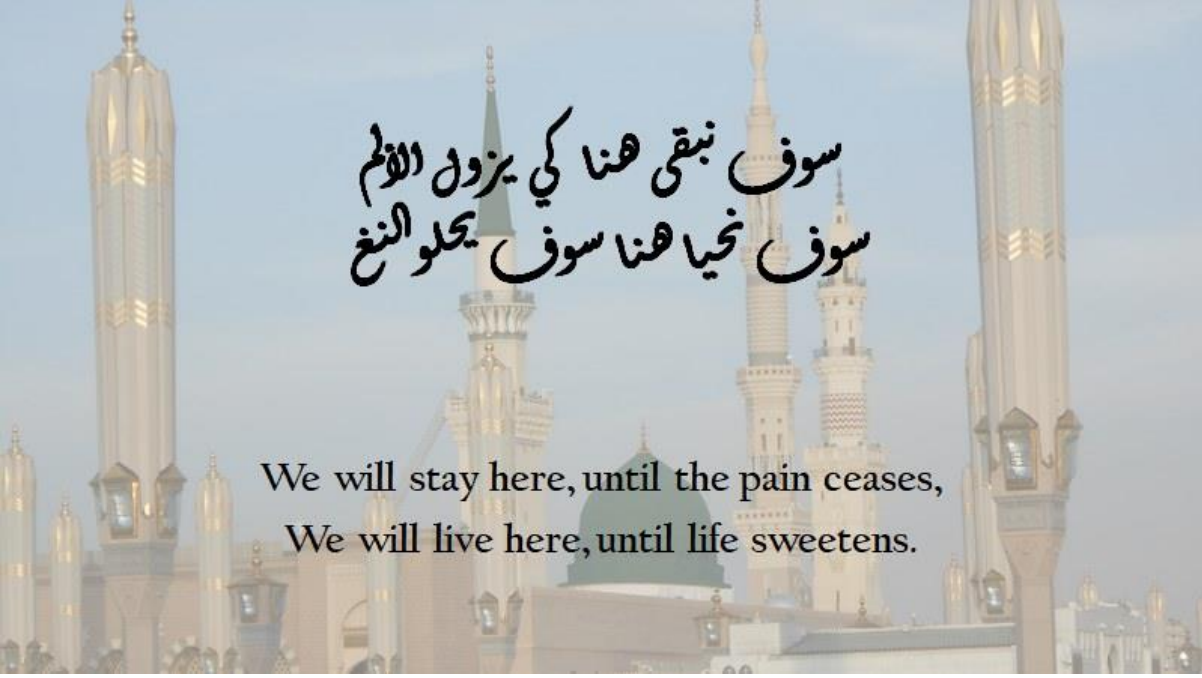

You'll find your way

إن شاء الله
إن شاء الله
إن شاء الله

إن شاء الله
إن شاء الله
إن شاء الله

We'll find our way

سوف نبقى هنا كي يزول الالفم
سوف نجا هنا سوف يجلو النغ

We will stay here, until the pain ceases,
We will live here, until life sweetens.

موطني موطني موطني ذا الوباء
موطني موطني موطني يا انا

My homeland, My homeland, a place of
perseverance,
My homeland, My homeland

Despite the trouble from
those around us and all the
dilemmas we face,

We will try to spread
happiness.

And we will stay
determined.

By aiming high and
reaching goals

رغم كيد العدا رغم كل النقم
سوف نسعى إلى أن تعم النعم
سوف نرؤي رفع كل السقم
بالمسير للعلا ومناجاة القمم

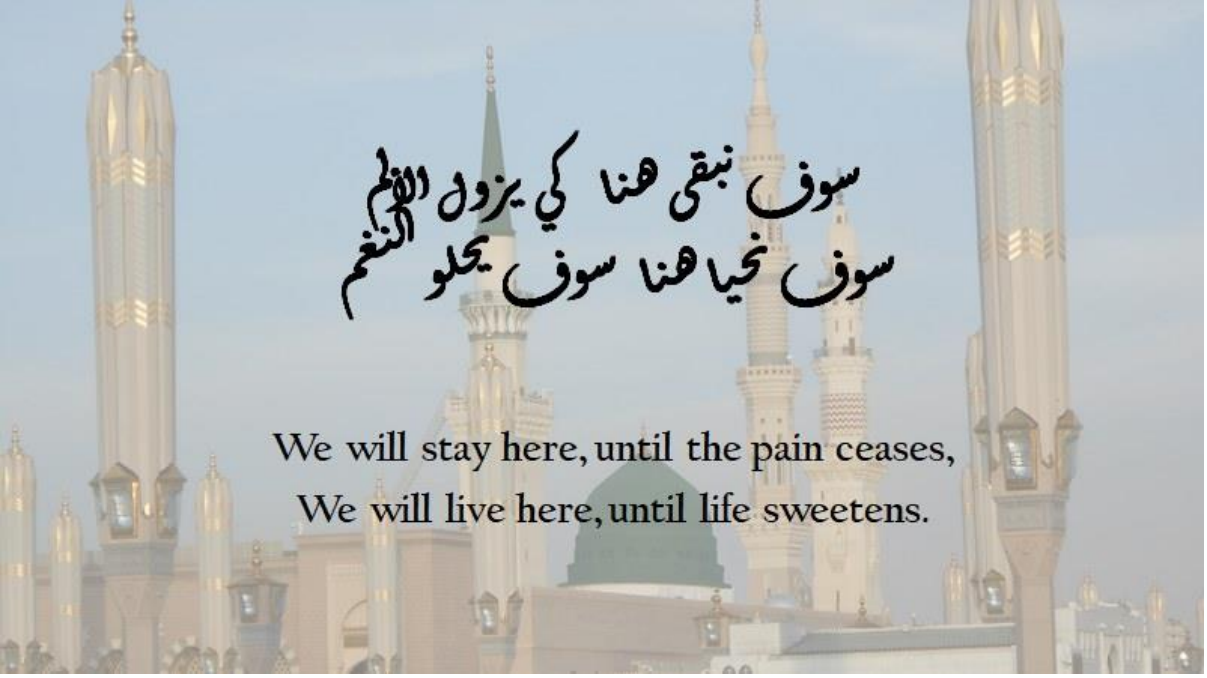

Armed with remedy and
pens,

We will be kind to anyone
suffering.

We will keep moving to
new goals,

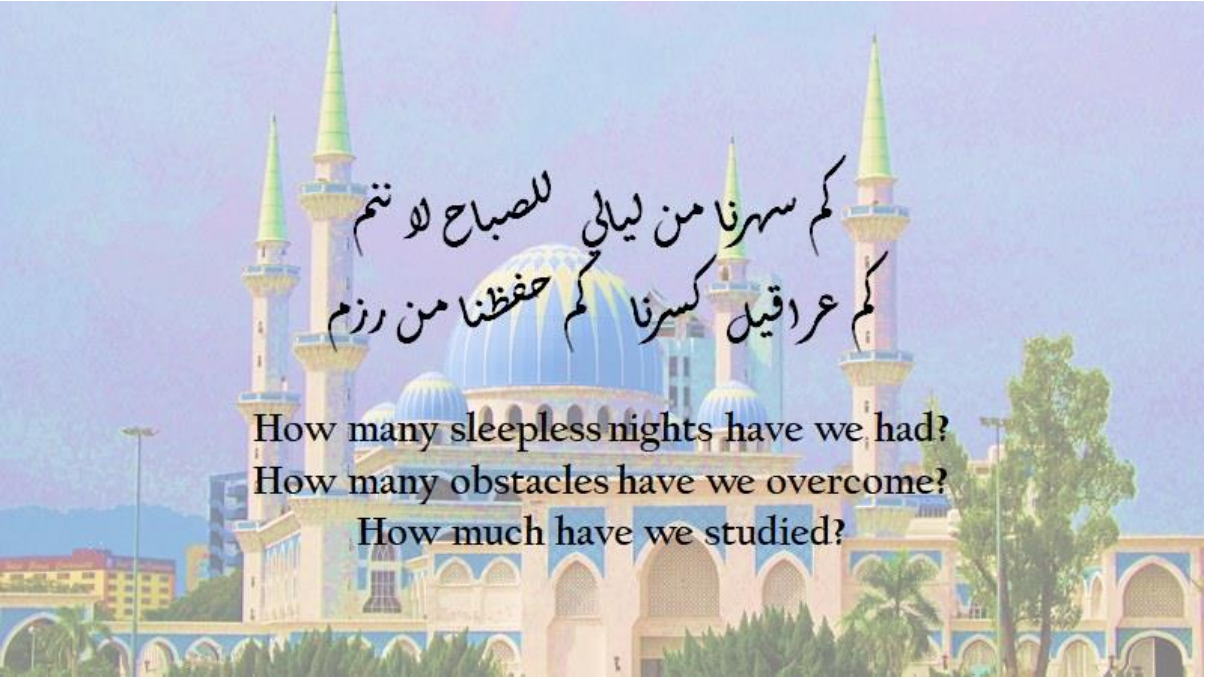

And we shall try to be the
best of nations.

فلنقم كلنا بالدواء و القلم السقم
كلنا عفو على من يصرع
فلنواصل المسير نحو غاياتهم
ونكون حقا خير أمة بين الأمم

سوف نبقي هنا كي يزول الالم
سوف نجا هنا سوف يخلو النغم

We will stay here, until the pain ceases,
We will live here, until life sweetens.

كم سهرنا من ليالي للصبح لا نتم
كم عراقيد كسرنا كم حفظنا من رزم

How many sleepless nights have we had?
How many obstacles have we overcome?
How much have we studied?

کم جسور قد عبرنا کم ذرفنا من حمم
نبتغي صيد المعالي نبتغي رأس الهرم

How many bridges have we crossed?
How many troubles have we endured?
We wanted the best of morals and the
highest of goals.

We spent many hours
trying to understand,
We gave up joy to reach
our dreams.
Our tiredness does not
matter,
Reaching the top of the
mountain requires a lot
of effort.

نقضي ساعات طوال كي نبتغي العلم العجم
كاستحين كل غالي فنسبر للامل
إن سأمنا لا نبال تستحق لا جرم
إن قمة الجبال تستحق لا جرم

سوف نبقي هنا كي يزول الالم
سوف نجا هنا سوف يحلو النغم

We will stay here, until the pain ceases,
We will live here, until life sweetens.

Dear Parents, your bounties
are endless,
You suffered with us through
our hard times,
What we have achieved is
because of your efforts,
Dear Father, you supported
me in my troubles,

فضلكم يا والدي عملي حتى الالم
كل هم قد اصبنا زادكم با لطبع هم
ان كل ما جنينا من جهودكم بنعم
والدي يا خير عون كان لي عند المحن

Dear Mother, who has
Paradise under her feet,
all words fail to express my
gratitude to you.

Every word of thanks from
Arabic and any other
language

Would fail to express our
thanks to our Beloved
Parents.

أنت يا من تملكين الجنة تحت القدم
كل ألفاظ لساني كل شكر قدرهن بحجم
بجمعو كل المعاني من عراب أو بحجم
لا توافي شكرهن لا تجاوز العدم

سوف نبقي هنا كي يزول الألم
سوف نعيش هنا سوف يخلو النغم

We will stay here, until the pain ceases,

We will live here, until life sweetens.

May our families be
happy and may we be
too,

When we attain our
achievements,

Our happiness will be
uncontainable.

Oh, stars of the sky, Oh,
ambiance of the breeze,

هذي فرحة الأهل لا يساويها رقم
حين يشهدون حالي بالسرور
أقسم
فرحتي وصرختي تكاد
يا نجوم السماء يا عبائق
تسمع الأقسام
النسم

Oh, clouds of hope, Oh,
birds of Al-Haraam,

Oh, Thunders of Winter,
Oh, mankind,

Witness that today, We
make this promise:

يا سحائب الرجا يا طيور الحرم
يا رعو الشتاء يا جميع الأقسام
إشهدوا هذا المساء إنني قلت القسم

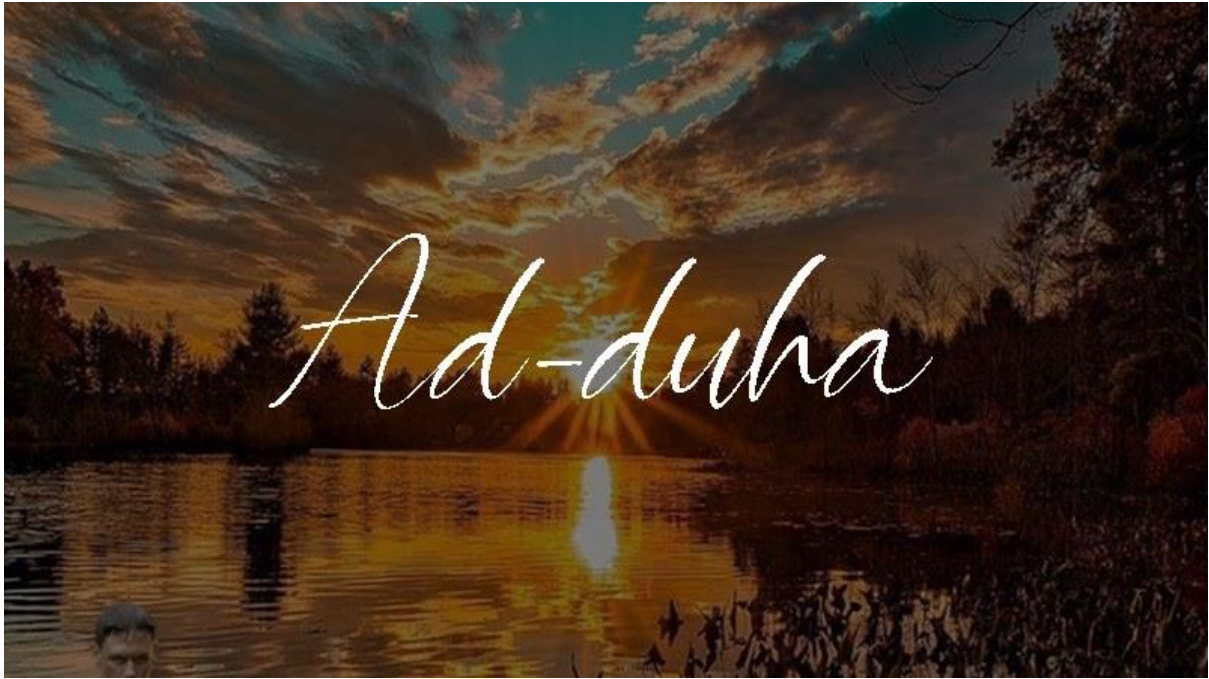

سوف نبقى هنا كي يزول الالم
سوف نجا هنا سوف يحلو النغم

We will stay here, until the pain ceases,
We will live here, until life sweetens.

THE BEST OF PEARLS

Recited by Year 9's

في القلبِ مشاعرٌ أخفيها
قد أشرقت الشمسُ عليها
عن خططٍ لم أعبأ فيها
ستكونُ بأيّامٍ فرقا

In the hearts are feeling which I hide
The sun has shined over them feelings
Over parts which I never thought of
These paths which will take me coming days in different directions

فحياتي قبل الحلقاتِ
تية بضياع بشتاتِ
من دونِ نعيمِ الآياتِ
نرتادُ لنحفظها الحلق

So, my life before the Quran circles
Was completely deserted in waste and dysfunction
Without the blessings of these quranic verses
The circles of Quran which we keep coming to in order to preserve the
verses

فمضيتُ إلى حفظِ السورِ
كي أقطف من خيرِ الدررِ
فالآي ضياءٌ في صدري
يزدادُ على الظلمة ألقا

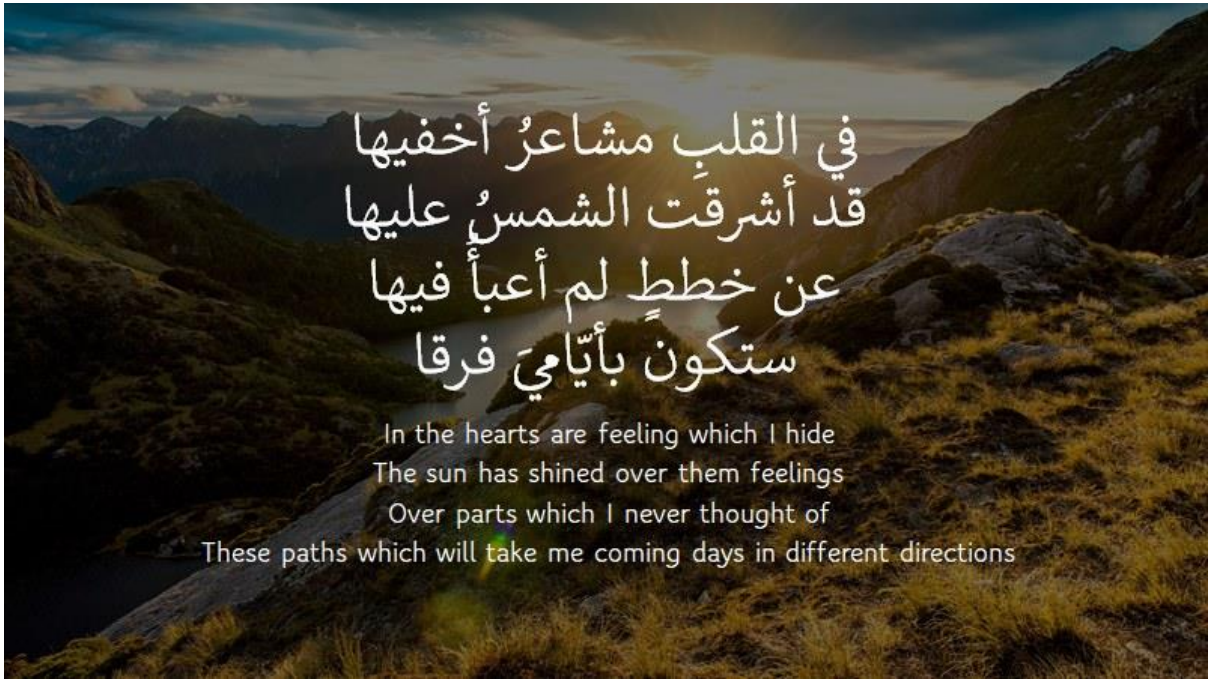

So, I went forth to memorize these Surahs
In order that I may pick the best of pearls
So, these verses are light in my chest
Which increases their beauty over darkness

غصتُ بها في بحر حاني
ما بين أسامٍ ومعاني
أزدادُ برِّي الرحمن
ثقةً عملاً حباً شوقاً

I dived with them verses in an ocean full of affection from Allah
This ocean carried within it beautiful names of Allah and meanings of
his verses

I increase through it with my benevolent
In trust, action, love and yearning

وسمت في الخيرة أيامي
وتجمل قولي وكلامي
من عذب معين الإسلام
أحسنْتُ النيةَ والحلقَ

My days increased in goodness due to the circles of quran
My speech and statements became more beautiful
Emerging out from the sweet fountain of Islam
I make my intention and character good

فالحمدُ إلى الله تعالى
من جادٍ بخيرٍ يتوالى
للحافظِ يُسرًا ومنالاً
ودروسًا في القلبِ ستبقى

So all praise be to Allah the exalted
Who generously gave good time and time again
For the huffadh that memorized the quran ease and favours
And lessons which will stay forever in the heart
