

JAMEAH GIRLS ACADEMY

FIRE SAFETY POLICY 2024/2025

Policy Date:	September 2024	Version: 5		
Policy Review Date:	September 2025	Head Teacher: Fatima Patas	<i>F. Patas</i>	08/24
Ratified by Governing Body:				
Mrs Sajeda Mulla		Signature: <i>S Mulla</i>	Date:08/24	

Fire Procedure

1. On identifying or suspicion of fire, **raise Fire Alarm** by activating the fire point (**Break Glass**).
2. Admin staff will call **999**

Address: **Jameah Girls Academy**
49 Rolleston Street
Leicester
LE5 3SD

3. All **teachers** are responsible for all pupils and visitors who are in their classroom.
4. At the sound of the fire alarm teachers must accompany their classes to the nearest safe fire exit.
5. Ensure that all pupils walk quietly and in single file. No pupils or staff are allowed to take any belongings with them.
6. The fire wardens are:

Amina Osman
Rahana Apa
Safiya Nanabawa
Lutfiyah Apa
Maryam Apa Bholat
Maryam Apa Fazlanie

7. The fire warden or First Aider to collect and carry first aid box, highlighter jackets.
Fire wardens must check each floor and ensure any stray pupils go to the fire assembly point.
8. The Head teacher or an SLT member is responsible for taking the registers, pupil grab sheets, pupil and visitor signing books to the Point of Assembly.
9. Registration must be taken in the Main Car Park; any pupils not accounted for **MUST** be reported to the Head Teacher.

POINT OF ASSEMBLY
Shaykh Adam Square
Baggrave Street
(Between the two car parks)

Fire Exits

No of Fire Exits	Where?
Exit 1	Main entrance door
Exit 2	Sports hall door - Rolleston Street (corridor of sports hall toilet)
Exit 3	Sports hall door - Baggrave Street
Exit 4	Baggrave street double doors (next to the black gates)
Exit 5	Corridor of pupil's toilet (next to the Science Lab)

Fire safety maintenance checks

- Fire alarm testing – Every Friday at 10am
- Daily checks – 9.00am to 9.30am
- Weekly checks – Friday
- Monthly checks – Last Friday of every month
- Annual checks – Every August /October
- Fire drills – Once every half term

Fire safety arrangements

1. All fire alarms and smoke detectors must be in working order and regular checks are made.
2. All fire exits and corridors are kept clear of any obstruction, daily checks are carried out.
3. Appropriate signs indicating fire exits are placed in correct places to help with evacuation in the event of a fire occurring.
4. Fire extinguishers are placed near stairs, exits and within some classrooms. Portable fire extinguishers should be available to tackle very small fires.
5. Regular fire drills are conducted, all teachers, staff, students and visitors are aware of their exits and point of assembly for all students, staff and visitors have been indicated. A Fire drill folder is kept up to date and regular fire drills are conducted, a minimum of one each term.
6. Trained Fire Marshalls are Amina Ali Osman, Safiya Nanabawa and Lutfiyah, Chilli they would be trained to tackle small fires if it is safe to do so.

Fire action

<p>ON HEARING THE ALARM:</p>

- | |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <ol style="list-style-type: none">1. The fire alarm is a continuous ringing sound2. On hearing the Fire alarm, calmly leave the building through the nearest safe fire exit. |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

3. Staff must help visitors and service users to leave the building
4. Walk to the designated assembly point across the building (on Baggrave street) for registration
5. Do not re-enter the building until authorised to do so

IF YOU DISCOVER A FIRE:

1. Sound the alarm by breaking the glass in the nearest fire alarm call point
2. The fire alarm will make a continuous ringing sound
3. Dial 999 to call the fire brigade
4. Calmly leave the building through the nearest safe fire exit
5. Walk to the designated assembly point (Jameah Square)
6. Do not re-enter the building until authorised to do so
