

ZAYNAB APA'S CLASSROOM NEWS!

THIS TERM IN YEAR 2...

Dear Year 2,

Welcome back to the last and final term in Year 2! I can't wait for all the exciting things to look forward to as we approach the end of year including our trip, sports day, and Eid, as well as making some final memories together! I can't believe how fast the year has flown by but we still have a few things to complete before you go off to Year 3, so let's continue to work super hard until the summer holidays...

Zaynab Apa

THEME

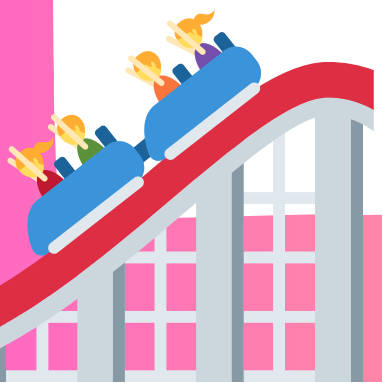

Our theme this term is..
MATERIALS MATTER
Lets try to identify the subject links to our theme!

WHAT WILL WE LEARN THIS TERM?

MATHS

TIME

- We will compare and sequence intervals of time
- We will tell and write the time to five minutes, including quarter past/to the hour and draw the hands on a clock face to show these times
- We will learn the number of minutes in an hour and the number of hours in a day

STATISTICS

- We will interpret and construct simple pictograms, tally charts, block diagrams and simple tables
- We will ask and answer simple questions by counting the number of objects in each category and sorting the categories by quantity
- We will ask and answer questions about totalling and comparing categorical data

GEOMETRY

- We will order and arrange combinations of mathematical objects in patterns and sequences
- We will use mathematical vocabulary to describe position, direction and movement, including movement in a straight line
- We will begin to distinguish between rotation as a turn and in terms of right angles for quarter, half and three-quarter turns (clockwise and anticlockwise)

ENGLISH

POETRY: HAPPY POEMS

Using 'McGough's Happy Poems', we will read and write poems about pets, treasures and magic pebbles.

NON-FICTION: READING AND WRITING RECOUNTS

Children will be inspired to write creative recounts by reading great imaginative texts, including 'The Velveteen Rabbit'. We will focus on grammar including subordinate clauses, present and past progressive verbs.

SCIENCE MATERIALS

We will:

- Identify and compare the suitability of a variety of everyday materials, including wood, metal, plastic, glass, brick, rock, paper and cardboard for particular uses.
- Find out how the shapes of solid objects made from some materials can be changed by squashing, bending, twisting and stretching.

HISTORY

TRAVEL AND TRANSPORT

In this topic, we will be looking at, the history of transport. We will take a look at how key transport such as cars and aeroplanes have changed.

DT

FABRIC BUNTING

We will create our own bunting using different materials. We will also discover the different methods of sewing to see what we can sew for our bunting.

PE

SPORTS DAY THEMED

In PE, we will practice and engage in a range of activities that are played on sports day. Can you name any?

COMPUTING

PROGRAMMING ANIMATIONS

Leading on from our previous topic of programming robots, we will begin to use ScratchJr. to change the way programmes look.

ISLAMIC STUDIES

FIQH

We will be learning about what tayammum is and how to perform it.

AHADITH

We will be learning about what the Prophet SAW said regarding kindness to animals.

SIRAH-PROPHET (SAW'S) LIFE

In Sirah, we will study the Prophet SAW's secret and open call to Islam.

AKHLAAQ AND ADAB-MANNERS AND ETIQUETTES

We will learn about kindness to animals and adab of speaking.

TARIK-ISLAMIC HISTORY

During golden time, we will read the story of Nuh AS and Hud AS.

AQAID

We will explore the angels and holy books.

ARABIC

We will learn how to write letters 'noon' to 'yaa'.

We will also learn vocabulary relating to our theme - materials, in Arabic.

PSHE

MONEY

In PSHE, we will learn about the importance of money. We will look at things such as where money comes from, how to take care of it and when to spend or save.
