- Jameah Girls Academy is committed to developing an anti-bullying culture where the bullying of adults, children or young people is not tolerated in any form.

2) Links to legislation

"Keeping Children Safe in Education" 2023,

'Sexual violence and sexual harassment between children in schools and colleges' and

www.gov.uk/government/publications/approaches-to-preventing-and-tackling-bullying

guidance. The setting has also read Childnet's **"Cyberbullying: Understand, Prevent and Respond: Guidance for Schools"**.

This policy operates in conjunction with the following school policies:

- Behaviour Policy
- Child Protection and Safeguarding Policy
- Social, Emotional and Mental Health (SEMH) Policy
- Relationships and Health Education Policy
- Relationships, Sex and Health Education (RSHE) Policy
- Child-on-child Abuse Policy
- Remote Education Policy
- Supporting Pupils with Medical Conditions Policy
- Special Educational Needs and Disabilities (SEND) policy.

3) Responsibilities

It is the responsibility of:

- The headteacher to communicate this policy to the school community, to ensure that disciplinary measures are applied fairly, consistently and reasonably, and that a member of the senior leadership team has been identified to take overall responsibility.
- Governors to take a lead role in monitoring and reviewing this policy.
- All staff, including governors, senior leadership, teaching and non-teaching staff, to support, uphold and implement this policy accordingly.
- Parents/carers to support their children and work in partnership with the school.
- Pupils to abide by the policy.

4) Definition of bullying

For the purpose of this policy, “bullying” is defined as persistent behaviour by an individual or group with the intention of verbally, physically, or emotionally harming another person or group. Bullying is generally characterised by:

- **Repetition:** Incidents are not one-offs; they are frequent and happen over an extended period of time.
- **Intent:** The perpetrator means to cause verbal, physical or emotional harm; it is not accidental.
- **Targeting:** Bullying is generally targeted at a specific individual or group.
- **Power imbalance:** Whether real or perceived, bullying is generally based on unequal power relations.

Vulnerable pupils are more likely to be the targets of bullying due to the attitudes and behaviours some young people have towards those who are different from themselves. Vulnerable pupils may include, but are not limited to:

- Pupils who are adopted.
- Pupils suffering from a health problem.
- Pupils with caring responsibilities.
- Pupils from socioeconomically disadvantaged backgrounds.

5) Forms and types of bullying covered by this policy

Many kinds of behaviour can be considered bullying, and bullying can be related to almost anything. Teasing another pupil because of their appearance, religion, ethnicity, gender, sexual orientation, home life, culture, or SEND are some of the types of bullying that can occur.

Bullying is acted out through the following mediums:

- Verbal
- Physical
- Emotional
- Online (cyberbullying)

Racist bullying: Bullying another person based on their ethnic background or skin colour. Racist bullying is a criminal offence under the Crime and Disorder Act 1998 (as amended) and Public Order Act 1986.

Homophobic and bi-phobic bullying: Bullying another person because of their actual or perceived sexual orientation.

Transphobic bullying: Bullying based on another person's gender identity or gender presentation, or for not conforming to dominant gender roles.

Sexist bullying: Bullying based on sexist attitudes expressed in a way to demean, intimidate or harm another person because of their sex or gender. Sexist bullying may sometimes be characterised by inappropriate sexual behaviours.

Sexual bullying: Bullying behaviour that has a physical, psychological, verbal or non-verbal sexual dimension or dynamic that subordinates, humiliates or intimidates another person. This is commonly underpinned by sexist attitudes or gender stereotypes.

Ableist bullying: Bullying behaviour that focusses on another person's disability or support needs; this can include mocking the individual's disability or their needs, using derogatory words or slurs in relation to an individual's disability, or deliberately excluding an individual because of their disability.

Prejudicial bullying: Bullying based on prejudices directed towards specific characteristics or experiences, e.g. religion or mental health issues.

Relational bullying: Bullying that primarily constitutes of excluding, isolating and ostracising someone – usually through verbal and emotional bullying.

Socioeconomic bullying: Bullying based on prejudices against the perceived social status of the victim, including, but not limited to, their economic status, their parents' occupations, their health or nutrition level, or the perceived "quality" of their clothing or belongings.

5) School ethos

- Jameah Girls Academy community recognises that all forms of bullying, especially if left unaddressed, can have a devastating effect on individuals; it can create a barrier to learning and have serious consequences for mental wellbeing.
- By effectively preventing and tackling bullying our school can help to create a safe and disciplined environment, where pupils are able to learn and fulfil their potential.
- ***Our Community:***
 - Monitors and reviews our anti-bullying policy and practice on a regular basis.
 - Supports staff to promote positive relationships to help prevent bullying.
 - Recognises that some members of our community may be more vulnerable to bullying and its impact than others; this may include children with SEND. Being aware of this will help us to develop effective strategies to prevent bullying from happening and provide appropriate support, if required.
 - Will intervene by identifying and tackling bullying behaviour appropriately and promptly.
 - Ensures our pupils are aware that bullying concerns will be dealt with sensitively and effectively; that everyone should feel safe to learn and abide by the anti-bullying policy.
 - Requires all members of the community to work with the school to uphold the anti-bullying policy.
 - Recognises the potential impact of bullying on the wider family of those affected so will work in partnership with parents/carers regarding all reported bullying concerns and will seek to keep them informed at all stages.
 - Will deal promptly with grievances regarding the school response to bullying in line with our complaints policy
 - Seeks to learn from good anti-bullying practice elsewhere.
 - Utilises support from the Local Authority and other relevant organisations when appropriate.

6) Signs of bullying

Staff will be alert to the following signs that may indicate a pupil is a victim of bullying:

- Being frightened to travel to or from school
- Unwillingness to attend school
- Repeated or persistent absence from school
- Becoming anxious or lacking confidence
- Saying that they feel ill repeatedly
- Decreased involvement in school work
- Leaving school with torn clothes or damaged possessions
- Missing possessions
- Missing dinner money
- Asking for extra money or stealing

- Cuts or bruises
- Lack of appetite
- Unwillingness to use the internet or mobile devices
- Lack of eye contact
- Becoming short tempered
- Change in behaviour and attitude at home

Although the signs outlined above may not be due to bullying, they may be due to deeper social, emotional, or mental health issues, so are still worth investigating. Pupils who display a significant number of these signs will be approached by a member of staff to determine the underlying issues causing this behaviour.

Staff will be aware of the potential factors that may indicate a pupil is likely to exhibit bullying behaviours, including, but not limited to, the following:

- They have experienced mental health problems, which have led to them becoming more easily aggravated
- They have been the victim of abuse
- Their academic performance has started to fall and they are showing signs of stress

If staff become aware of any factors that could lead to bullying behaviours, they will notify the pupil's form tutor, who will investigate the matter and monitor the situation.

7) Responding to bullying

The following steps may be taken when dealing with all incidents of bullying reported to the school:

- If bullying is suspected or reported, the incident will be dealt with immediately by the member of staff who has been approached or witnessed the concern.
- The school will provide appropriate support for the person being bullied – making sure they are not at risk of immediate harm and will involve them in any decision- making, as appropriate.
- The headteacher/Designated Safeguarding Lead (DSL) or Head of Behaviour will interview all parties involved.
- The DSL will be informed of all bullying issues where there are safeguarding concerns.
- The school will speak with and inform other staff members, where appropriate.
- The school will ensure parents/carers are kept informed about the concern and action taken, as appropriate and in line with child protection and confidentiality policies.
- Sanctions, as identified within the school behaviour policy, and support will be implemented in consultation with all parties concerned.
- If necessary, other agencies may be consulted or involved, such as the police, if a criminal offence has been committed, or other local services including early help or children's social care, if a child is felt to be at risk of significant harm.
- Where the bullying of or by pupils takes place off school site or outside of normal school hours (including cyberbullying), the school will ensure that the concern is fully investigated. If required, the DSL will collaborate with other schools. Appropriate action will be taken, including providing support and implementing sanctions in school in accordance with this policy and the school's behaviour policy.
- A clear and precise account of bullying incidents will be recorded by the school in accordance with existing procedures. This will include recording appropriate details regarding decisions and action taken.

•

8) Child-on-child abuse

The school recognises that child-on-child abuse often includes bullying. The school has a zero-tolerance approach to all forms of child-on-child abuse, including sexual harassment and sexual violence.

To prevent child-on-child abuse and address the wider societal factors that can influence behaviour, the school will educate pupils about abuse, its forms, and the importance of discussing any concerns and respecting others through the curriculum, assemblies and PSHE lessons.

All staff will:

- Be aware that pupils of any age and gender are capable of abusing their peers.
- Be aware that abuse can occur inside and outside of school settings.
- Be aware of the scale of harassment or abuse, and that just because it is not being reported does not mean it is not happening.
- Take all instances of child-on-child abuse equally seriously regardless of the characteristics of the perpetrators or victims.
- Never tolerate abuse as “banter” or “part of growing up”, and will never justify sexual harassment, as this can foster a culture of unacceptable behaviours and one that risks normalising abuse.
- Be aware that child-on-child abuse can be manifested in many ways, including sexting, sexual harassment and assault, and hazing or initiation-type violence.
- Always challenge any harmful physical behaviour that is sexual in nature, such as inappropriate touching. Dismissing or tolerating such behaviours risks normalising them.

Sexual harassment in particular can take many forms, including but not limited to:

- Telling sexual stories, making sexual remarks, or calling someone sexualised names.
- Sexual “jokes” or taunting.
- Deliberately brushing against someone.
- Displaying images or video of a sexual nature.
- Upskirting (this is a criminal offence).
- Online sexual harassment, e.g. creating or sharing sexual imagery, sexual comments on social media, or sexual coercion or threats.

Pupils will be made aware of how to raise concerns or make a report and how any reports will be handled – this includes the process for reporting concerns about friends or peers. If a pupil has been harmed, is in immediate danger or is at risk of harm, a referral may be made to children’s social care services (CSCS) and potentially the police, where the DSL deems this appropriate in the circumstances.

All staff will be aware and sensitive towards the fact that pupils may not be ready or know how to tell someone that they are being abused. Pupils being abused may feel embarrassed, humiliated, scared, or threatened.

The school's Child-on-child Abuse Policy outlines the school's stance on addressing child-on-child abuse, including sexual abuse, and the procedures in place will be adhered to if any instances are uncovered or disclosed. More information on the school's approach to preventing and managing instances of child-on-child abuse can be found within this policy and the Child Protection and Safeguarding Policy.

9) Cyberbullying

Cyberbullying can take many forms and can go even further than face-to-face bullying by invading personal space and home life and can target more than one person. It can also take place across age groups and target pupils, staff and others, and may take place inside school, within the wider community, at home or when travelling. It can sometimes draw bystanders into being accessories.

Cyberbullying can include the following:

- Threatening, intimidating, or upsetting text messages
- Threatening or embarrassing pictures and video clips
- Disclosure of private sexual photographs or videos with the intent to cause distress
- Silent or abusive phone calls
- Using the victim's phone to harass others, to make them think the victim is responsible
- Threatening or bullying emails, possibly sent using a pseudonym or someone else's name
- Menacing or upsetting responses to someone in a chatroom
- Unpleasant messages sent via instant messaging
- Unpleasant or defamatory information posted to blogs, personal websites and social networking sites, e.g. Facebook

NB. The above list is not exhaustive, and cyberbullying may take other forms.

The school has a zero-tolerance approach to cyberbullying. The school views cyberbullying with the same severity as any other form of bullying and will follow the sanctions set out in this policy if they become aware of any incidents.

When responding to cyberbullying concerns, the school will:

- Act as soon as an incident has been reported or identified.
- Provide appropriate support for the person who has been cyberbullied and work with the person who has carried out the bullying to ensure that it does not happen again.
- Encourage the person being bullied to keep any evidence (screenshots) of the bullying activity to assist any investigation.
- Take all available steps where possible to identify the person responsible. This may include:
 1. looking at use of the school systems;
 2. identifying and interviewing possible witnesses;
 3. Contacting the service provider and the police, if necessary.
- Work with the individuals and online service providers to prevent the incident from spreading and assist in removing offensive or upsetting material from circulation. This may include:

4. Support reports to a service provider to remove content if those involved are unable to be identified or if those involved refuse to or are unable to delete content.
 5. Confiscating and searching pupils' electronic devices, such as mobile phones, in accordance with the law and the school Behaviour policy.
 6. Requesting the deletion of locally-held content and content posted online if they contravene school behavioural policies.
 7. Ensure that sanctions are applied to the person responsible for the cyberbullying; the school will take steps to change the attitude and behaviour of the bully, as well as ensuring access to any additional help that they may need.
- Inform the police if a criminal offence has been committed.
 - Provide information to staff and pupils regarding steps they can take to protect themselves online. This may include:
 8. advising those targeted not to retaliate or reply;
 9. providing advice on blocking or removing people from contact lists;
 10. helping those involved to think carefully about what private information they may have in the public domain.

10) Pupils with SEND or health issues

The school will recognise the additional barriers that can exist for pupils with SEND and health conditions. As a result, the school will be aware of the potential for these pupils to be more prone to isolation or bullying than others.

The school will also recognise that pupils with SEND or certain medical conditions may be disproportionately impacted by behaviour such as bullying, without outwardly showing any signs.

The school will seek to create an environment in which everyone celebrates diversity and will put in place effective arrangements to prevent stigmatising or other bullying relating to medical conditions.

The school will follow its Supporting Pupils with Medical Conditions Policy and Special Educational Needs and Disabilities (SEND) Policy when ensuring that an inclusive, respectful environment is maintained for all pupils. The school will ensure pupils are aware that bullying others due to a disability or health condition is never acceptable.

Supporting pupils

Pupils who have been bullied will be supported by:

- Reassuring the pupil and providing continuous pastoral support.
- Offering an immediate opportunity to discuss the experience with their teacher, the designated safeguarding lead, or a member of staff of their choice.
- Being advised to keep a record of the bullying as evidence and discuss how to respond to concerns and build resilience as appropriate.
- Working towards restoring self-esteem and confidence.
- Providing ongoing support; this may include working and speaking with staff, offering formal counselling, engaging with parents and carers.
- Where necessary, working with the wider community and local/national organisations to provide further or specialist advice and guidance; this could include support through Early Help or Children Social Work Service, or support through the Children and Young People's Mental Health Service (CYPMHS).

Pupils who have perpetrated bullying will be helped by:

- Discussing what happened, establishing the concern and the need to change.
- Informing parents/carers to help change the attitude and behaviour of the child.
- Providing appropriate education and support regarding their behaviour or actions.
- If online, requesting that content be removed and reporting accounts/content to service provider.
- Sanctioning, in line with school behaviour/discipline policy; this may include official warnings, detentions, removal of privileges (including online access when encountering cyberbullying concerns), and fixed-term or permanent exclusions.
- Where necessary, working with the wider community and local/national organisations to provide further or specialist advice and guidance; this may include involvement from the Police or referrals to Early Help, Children Social Work Service, or the Children and Young People's Mental Health Service (CYPMHS).

Supporting adults

Our school takes measures to prevent and tackle bullying among pupils; however, it is equally important to recognise that bullying of adults, including staff and parents, whether by pupils, parents or other staff members, is unacceptable.

Adults who have been bullied or affected will be supported by:

- Offering an immediate opportunity to discuss the concern with the designated safeguarding lead, a senior member of staff and/or the headteacher.
- Advising them to keep a record of the bullying as evidence and discuss how to respond to concerns and build resilience, as appropriate.
- Where the bullying takes place off school site or outside of normal school hours (including online), the school will still investigate the concern and ensure that appropriate action is taken in accordance with the schools' behaviour and discipline policy.
- Reporting offensive or upsetting content and/or accounts to the service provider, where the bullying has occurred online.
- Reassuring and offering appropriate support.
- Working with the wider community and local/national organisations to provide further or specialist advice and guidance.

Adults who have perpetrated the bullying will be helped by:

- Discussing what happened with a senior member of staff and/or the headteacher to establish the concern.
- Establishing whether a legitimate grievance or concern has been raised and signposting to the school's official complaints procedures.
- If online, requesting that content be removed.
- Instigating disciplinary, civil or legal action as appropriate or required.

11) Preventing bullying

Environment

The whole school community will:

Create and support an inclusive environment which promotes a culture of mutual respect, consideration and care for others, which will be upheld by all.

- Recognise that bullying can be perpetrated or experienced by any member of the community, including adults and children (peer on peer abuse).
- Recognises the potential for children with SEN and disabilities to be disproportionately impacted by bullying and will implement additional pastoral support as required.
- Openly discuss differences between people that could motivate bullying, such as: children with different family situations, such as looked after children or those with caring responsibilities, religion, ethnicity, disability, gender, sexuality or appearance related difference.
- Challenge practice and language (including 'banter') which does not uphold the school values of tolerance, non-discrimination and respect towards others.
- Be encouraged to use technology, especially mobile phones and social media, positively and responsibly.
- Work with staff, the wider community and outside agencies to prevent and tackle concerns including all forms of prejudice-driven bullying.
- Actively create "safe spaces" for vulnerable children and young people.
- Celebrate success and achievements to promote and build a positive school ethos.

Policy and Support

The whole school community will:

- Provide a range of approaches for pupils, staff and parents/carers to access support and report concerns.
- Regularly update and evaluate our practice to consider the developments of technology and provide up-to-date advice and education to all members of the community regarding positive online behaviour.
- Take appropriate, proportionate and reasonable action, in line with existing school policies, for any bullying brought to the schools' attention, which involves or affects pupils, even when they are not on school premises; for example, when using school transport or online, etc.
- Implement appropriate disciplinary sanctions; the consequences of bullying will reflect the seriousness of the incident, so that others see that bullying is unacceptable.
- Use a variety of techniques to resolve the issues between those who bully, and those who have been bullied.

12) Sanctions

The school will appropriately sanction any cases of bullying, take a strong stand against bullying, and tackle bullying at the earliest opportunity to prevent it from escalating.

Sanctions will be determined on a case-by-case basis depending on the severity of the issue. This may include sanctions up to permanent exclusion in the most serious cases.

If possible, the headteacher will attempt reconciliation and will obtain an apology from the perpetrator. This will either be in writing to the victim, and/or witnesses if appropriate, or face-to-face, but only with the victim's full consent. Discretion will be used here; victims will never feel pressured into a face-to-face meeting with the perpetrator.

Parents will be informed of bullying incidents and what action is being taken.

All staff involved in managing instances of bullying will be aware that taking disciplinary action and providing support are not mutually exclusive actions and should be conducted simultaneously to encourage more positive behaviour in future.

The school will avoid unnecessarily criminalising pupils for bullying or abusive behaviour where possible, as young people with criminal records face stigma and discrimination in future aspects of their lives. The school's focus when handling perpetrators will be supporting them to develop more positive behaviours and to refrain from abusive and bullying behaviours in the future.

13) Education and Training

The school community will:

- Train all staff, including: teaching staff, support staff (e.g. administration staff, lunchtime support staff and site support staff) and pastoral staff, to identify all forms of bullying and take appropriate action, following the school's policy and procedures, including recording and reporting incidents.
- Consider a range of opportunities and approaches for addressing bullying throughout the curriculum and other activities, such as: through displays, assemblies, peer support, the school/student council, etc.

- Collaborate with other local educational settings as appropriate, and during key times of the year, for example during transition.
- Ensure anti-bullying has a high profile throughout the year, reinforced through key opportunities such as anti-bullying week
- Provide systematic opportunities to develop pupils' social and emotional skills, including building their resilience and self-esteem.

14) Involvement of pupils

We will:

- Involve pupils in policy writing and decision making, to ensure that they understand the school's approach and are clear about the part they play in preventing bullying.
- Regularly canvas children and young people's views on the extent and nature of bullying.
- Ensure that all pupils know how to express worries and anxieties about bullying.
- Ensure that all pupils are aware of the range of sanctions which may be applied against those engaging in bullying.
- Involve pupils in anti-bullying campaigns in schools and embedded messages in the wider school curriculum.
- Utilise pupil voice in providing pupil led education and support
- Publicise the details of internal support, as well as external helplines and websites.
- Offer support to pupils who have been bullied and to those who are bullying to address the problems they have.

Involvement and liaison with parents and carers

We will:

- Take steps to involve parents and carers in develop policies and procedures, to ensure they are aware that the school does not tolerate any form of bullying.
- Make sure that key information about bullying (including policies and named points of contact) is available to parents/carers in a variety of formats, including via the school website
- Ensure all parents/carers know who to contact if they are worried about bullying and where to access independent advice.
- Work with all parents/carers and the local community to address issues beyond the school gates that give rise to bullying.
- Ensure that parents work with the school to role model positive behaviour for pupils, both on and offline.
- Ensure all parents/carers know about our complaints procedure and how to use it effectively, to raise concerns in an appropriate manner.

15) Monitoring and review: putting policy into practice

- The school will ensure that they regularly monitor and evaluate mechanisms to ensure that the policy is being consistently applied.
- Any issues identified will be incorporated into the school's action planning.
- The headteacher will be informed of bullying concerns, as appropriate.

- The named Governor for bullying will report on a regular basis to the governing body on incidents of bullying, including outcomes.

Monitoring and review

This policy is reviewed every year by the headteacher and the DSL. Any changes to this policy will be communicated to all relevant stakeholders.

The scheduled review date for this policy is August 2027.
