

YEAR 6 CLASS NEWS!

Your termly newsletter about our classroom!

This term, look forward to...

Dear Year 6,

We hope you all had an amazing Ramadhan and your positivity continues into this final summer term of year 6 - I know - already! As the old proverb says, 'time is of the essence' - there's no better time for us all to do our best and push ourselves to our potential. I'm sure you will be motivated to improve yourself by all the inspiring topics this term, read on to find out more ...

Ayeshah Apa, Aminah Apa and Humaira Apa

THEME

Our theme this term is..

CHANGE

Yes, Year 6, everything changes one day - and that includes you!

How many changes can you spot in the topics you will study this term?

Will they motivate you to look within and make some changes for the better?

- Last day of term - 26/05/23

REMINDERS

- Spelling test - Mondays
- Homework due - Tuesdays
- P.E - Thursdays
- Reading - Thursdays
- Fun Lunches - every Friday (check for the updated weekly menu and order form on Class Dojo)

What will we learn this term?

MATHS

DECIMALS

- We will represent numbers with up to 3 decimal places using counters and place value charts.
- We will round numbers with up to 3 decimal places to the nearest integer and tenth and hundredth.
- We will add and subtract numbers with different numbers of decimal places.
- We will multiply and divide numbers with up to 3 decimal places by 10, 100 and 1,000.

PERCENTAGES

- We will use common factors to simplify fractions; use common multiples to express fractions in the same denomination
- We will recall and use equivalences between simple fractions, decimals and percentages, including in different contexts.
- We will solve problems involving the calculation of percentages and the use of percentages for comparison.

ENGLISH

NON-FICTION FOR TRANSITION: GOALS, DREAMS AND CHANGE

We will inspire dreams, set goals and trigger change with this sophisticated block of learning.

We will explore dreams and goals through the non-fiction book 'You are Awesome' by Matthew Syed.

We will revise letter writing techniques before engaging in politics, debating and writing to our local MP.

YOU
ARE
AWESOME

SCIENCE

EVOLUTION & INHERITANCE

We will recognise that living things produce offspring of the same kind, but normally offspring vary and are not identical to their parents.

We will recall that living things have changed over time and that fossils provide information about living things that inhabited the Earth millions of years ago.

We will identify how animals and plants are adapted to suit their environment in different ways and that adaptation may lead to evolution.

COMPUTING

SPREADSHEETS AND PROGRAMMING

This term we will continue to learn about spreadsheets. We will create charts, and evaluate their results in comparison to questions asked.

We will also explore the concept of variables in programming through games in Scratch, modifying existing games initially and then improving games later on.

SCRATCH

GEOGRAPHY

GRAPHICACY

In geography, we will be learning key geographical skills, through the use of maps and digital/computer mapping to locate countries and describe features studied. We will also use the eight points of a compass, four and six-figure grid references, symbols and fieldwork to build knowledge of the world around us, using a range of methods.

ART THE SEASIDE

In Art, we will be exploring 'The Seaside' by learning how to use pen and colour, how to print and weave to create quality artwork that shows progression in skills. We will also have the opportunity to explore the work of 'The Seaside' artists.

P.E ATHLETICS

This term, we will be developing our existing running, jumping and throwing skills as well as learning new skills by taking part in individual, paired and group activities and games.

ARABIC

ARABIC SPEAKING: COUNTRIES, FOOD, DRINK AND PREFERENCES

In our Arabic lessons this term, we will cover many different topics. We will spend the first few weeks discussing and researching an Arabic speaking country, then creating a fact file including similarities and differences to the UK.

We will then learn breakfast, lunch and dinner items whilst being able to express our likes and dislikes. We will be able to construct simple and extended sentences with old and new vocabulary, and also have a simple conversation about the foods we eat and which foods are healthy and unhealthy.

P.S.H.E

ASPIRATIONS, WORK & CAREER

We will be looking at a broad range of careers that people can have and stereotypes in the workplace.

FIQH WAJIB ACTS OF SALAH

In our fiqh lessons this term, we will be studying the waajibat of salah. We will cover all the different wajib acts in the various positions of salah. We will also recall how to correct a mistake if a wajib acts is missed out.
